

The South Beach Adirondack chair, \$499, is ideal for relaxing in the sun. With its spacious and comfortable seat and retractable footrest you'll never want to get up! Made from eco-friendly recycled materials the chair is weather resistant and the green colour will look best in homes with cement, paved or timber deck outdoor areas.

The beautiful Emerald Green Batik cushion from Bungalow Living, \$52, is perfect for refreshing a tired, old sofa. Team it with some additional bright cushions in pink, blue, yellow and orange.

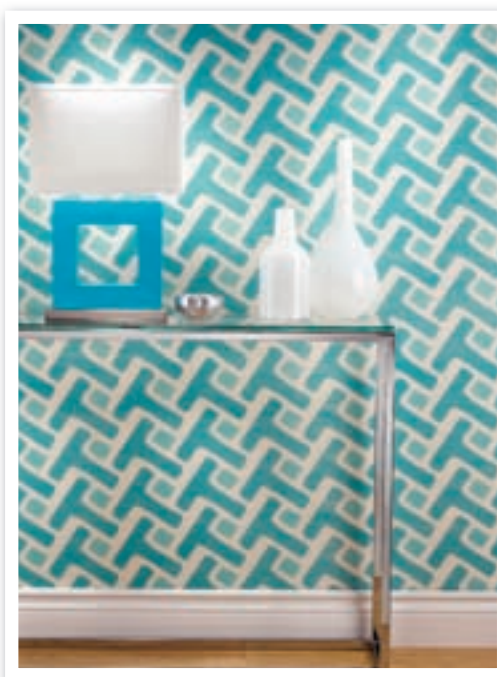

Entertain in style this party season with these fabulous summer additions.

Say goodbye to boring white serving plates and bowls and hello to the vibrant Oslo four piece bowl set from Davis & Waddell, \$19.99. Ideal for serving your favourite party dips, the coloured bowls are also handy for remembering which dip is which!

Ideal for adding colour to a neutral interior, the Toucan Canvas from Wall Studio brings together three of the latest trends – chevron, birds and the combination of blue, yellow and white. From \$89, the artwork is printed on 100 per cent cotton canvas and ready to hang.

The striking Solara chandelier by Janice Minor, \$2200, is like the icing on the interior cake. Hang it over the dining table, above the kitchen bench or in the entrance to your home – wherever this little beauty finds its home, it's sure to surprise and delight. Available from Exhibit Interiors.

Cool and contemporary, the stunning Phillip Jeffries Tease wallpaper in teal from The Textile Company will provide your interior with an instant 'wow' factor. For shock value, use it in otherwise boring rooms like the bathroom or laundry.
